Spring Term Issue 3

Dear Parents and Carers

This week we have started our Daily Mile and have managed to get outside on most days despite the weather. Please ensure your child has a coat in school each day for those days of light Cornish mizzle when we still intend to take part in the Daily Mile. On days when the weather is worse, the children will participate in some indoor physical activity such as Brain Gym, Feet Beat or yoga.

Please can I remind you about parking safely at the beginning and end of the day, either on the school site or off-site. Parking in Bell Lane is becoming particularly dangerous at times with cars parking opposite the yellow zigzag lines at times, leaving limited space or visibility for children trying to cross.

At the main school entrance at the end of the day, the car park gates are not open until 3pm. Although I appreciate that parking on the school yard can be difficult, please can I ask that you refrain from queuing before 3pm. Unfortunately, due to the positioning of the site and parking on Lanmoor Estate, queuing traffic completely blocks access to or from the school, which could result in a serious problem should any emergency vehicles need to attend the school or local residents' homes.

I appreciate your support with this. Many thanks.

Children with long hair **MUST** have their hair tied back at ALL times. There is no exception to this rule and those with loose hair will be given bands. With the ever increasing population of head lice, this is the only way to help prevent transfer!
