Autumn Term Issue 3

Dear Parents/carers

I hope you have all received your parent consultation appointments for next week. We are all looking forward to catching up with you and discussing your child's progress. Please do not worry if the time is inconvenient or you cannot make the appointment. The staff here will happily work around you and an alternative time and date can be given if needed.

Over the coming months we will be looking at ways to ensure parents have more opportunities to get involved in school life and to ensure communication is effective with yourselves. As always, any feedback or suggestions on how we could do this are welcome. Please email them in to: secretary@lanner.cornwall.sch.uk with subject title of 'PARENT SUGGESTIONS'.

Thank you for your continued support.

Have a lovely weekend
K Walsh, Head Teacher

Governor's Corner

Thank you to Year 4 and Mrs Walters who welcomed me to their class. They made some very thoughtful posters on choices and consequences and were confident in sharing their ideas. I learned many things about the Mayans and was impressed with their computer skills!

Sarah Gilbert, Governor

School Parking

Year 5

This half-term, Y5 have been learning about space. In English, we've written stories about Alien Landings and we are now learning how to write explanation texts.

We have started to learn about the history of space travel in the UK and across the world. We have watched some awe-inspiring videos of space, including Felix Baumgartner's leap from the edge of space and a video looking at the unbelievable amount of space and stars in our universe and beyond!

We're also working really hard on developing our learning skills. We're beginning to understand that it's really important to always have a go and that being stuck, or making mistakes are some of the keys to impressive learning!
