Autumn Term Issue 8

Dear Parent and Carer,

A very warm welcome back to you all. I hope you had a great half term and all is well with you and your family.

COVID update: Hopefully you will have received a letter from me this week regarding face coverings. Now seems like the perfect time to refocus our attention and not let our guards down. We have implemented new procedures surrounding safety here, with our main focus remaining on keeping everyone safe and the school open. Long may this continue. If you have not received this letter, or are in any doubts, please contact myself or the school secretary and we will gladly assist you.

In other news, the children appear to be incredibly excited to be back. Their new topics and books seem to be a hit, with high levels of engagement and enthusiasm buzzing around the classrooms. I do feel very blessed to have such a great curriculum, a great team of teachers and staff and of course utterly amazing children. The perfect ingredients in my opinion. This week attendance has hit the 100% mark and rarely dipped below 97%. This is a fantastic effort, so thank you for your continued efforts and support with this. It really is making a positive impact.

Kind regards
Kieran Walsh

Children in Need

The theme for this year's Children in need is the 'Five to Thrive' campaign. This is to focus on and boost children's mental wellbeing. Each class from years reception to six, be involved in a daily wellbeing activities based on the 'Five to thrive campaign' with videos from the Children in Need's new Schools ambassador, Joe Wicks.

This will then culminate on Friday 13th November, when the children can bring in a small donation to come into school in **non-uniform**. We

look forward to taking part and continuing to focus on our well-being throughout the school.

The graphic features the 'Five to Thrive' logo with a hand icon and the text 'FIVE TO THRIVE weekly calendar'. Below the logo, it states 'Each video is around 5 minutes long, so these are quick and fun activities to engage with!'. The main content is a table with columns for Monday through Friday, each with an activity icon and description.
