## Spanish Word of the Week

Palabras de la semana  
(Words of the week)

Cuídate!  
(Say kw-EE-dah-tay)  
(Take care)

How many times can you use this word next week?

Since September each class have been learning Spanish. Each week there will be a new word or phrase for the children to use in school or at home.

## Sun Book tokens

The Sun Newspaper have teamed up with Collins Big Cat to offer schools a free pack of books worth £600!!

To achieve this, we need to collect 3,500 tokens by the end of January 2020.

We have a collection point at the school office where you can drop tokens off and we will have collection boxes in the village within the next few weeks.

Please pass the message around for tokens to friends and family so we can reach the target needed.

Thanks

## Online safety poster competition

As part of our online safety curriculum, we have introduced five SMART rules for children to follow when using technology both at school and at home. These rules summarise the acceptable use policy (AUP) that children signed last term. To promote these rules, we are having a poster competition for KS1 and KS2 children. Children will choose one of the rules at school and come home with an A4 piece of paper to design their poster. Posters can be landscape or portrait and

be any medium, the more creative the better e.g. paint, pencil, felt tip, collage etc.

Mr Boisseau will then judge the posters and choose winners for each of the five rules from KS1 and KS2. Children will win a prize, and their poster will be on display in the school hall.

**BE SMART ONLINE**

**S SAFE** Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

**M MEET** Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

**A ACCEPTING** Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

**R RELIABLE** You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

**T TELL** Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or [www.childline.org.uk](http://www.childline.org.uk)

**BE SMART WITH A HEART**  
Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
