Summer Term Issue 9

Dear Parent/Carer

It is hard to believe that this school year is coming towards an end. It has been an incredible journey so far and I have enjoyed every minute of it. Long may it continue.

With regards to next year, please be advised of the following key dates. We have decided to tie our term time dates in with our secondary feeder school as much as possible. This will hopefully be a benefit to parents who have children in both schools. Therefore, we will be taking our inset days towards the end of the summer term with two additional ones. The key dates that are as follows:

**First day back for children : Thursday 5th
September 2019**

INSET DAY on Monday 18th November 2019

INSET DAY on Monday 24th February 2020

**Last day of the Summer term will be Friday
17th July 2020.**

Teachers will start the year slightly earlier this year thus allowing us to bunch inset days together towards the end of the year.

Cornwall County Council have published dates of the half terms and end of terms. Please follow the below link for additional details.

Hopefully having these dates now will assist you with regards to booking holidays and we can continue with our positive steps towards improving pupil attendance here at Lanner. I recently attended a head teachers meeting where there was a discussion surrounding in year holiday requests. As a collective group of schools, the Crofty MAT it is looking towards the possibility of administering fines to parents who remove their

children from education during term times (for the purpose of holidays). I will of course keep you posted of any developments surrounding this topic, but suffice to say, please refrain from booking holidays during term times.

I trust all is in order. These dates are all set in good faith and we will try our utmost to stick to them, however on occasion there may be some slight variations. We will of course ensure you receive sufficient notice if there is to be any changes.

I hope you all have a lovely weekend and enjoy the sunshine.

Have a great weekend
Kieran Walsh
