## Sickness

Following the guidance of Public Health England, please can we remind you that children who suffered from diarrhoea or vomiting, **MUST** be kept home from school for 48 hours after their last episode of illness.

## Parking

Parking on site is currently very limited due to the ongoing building work. Please park considerately, or better still, walk to school whenever possible to reduce the volume of traffic coming onto site. We understand that it is very frustrating and ask for your patience whilst the building work is completed.

## Flu immunisation info

Children in Years Reception to Year 4 are invited to take part in the nasal flu vaccination on Thursday 7<sup>th</sup> December. Information and consent forms have been sent home with children this week so please read and return to the school office by Friday 29<sup>th</sup> September.

## Online Payments

Please ensure that you have signed up to school gateway to make payments online for trips, dinners, uniform etc. Large funding cuts have resulted in redundancies and the loss of hours of support staff, including administrators. This, as well as local bank closures mean that time to go to the bank is even more limited. Paying online also allows you to have more control over when you wish to make payments (ie out of school hours), and gives you a great record of all payments you have made.

If you have any problem signing up or processing the payments online, please pop into the office where they will be happy to register you or to take payments with a card.
