Autumn Term Issue 4

Dear Parent/Carer

We continue to closely monitor the COVID situation, nationally and locally. We will continue to keep our current procedures in place, ie the one way system and the extended drop off and pick ups - even though the scaffolding is now down. Things appear to be working well, and apart from some year groups having to walk a little further everyday, it appears, not to be too disruptive - I certainly hope this is the case. What I will say, is that if you are experiencing any difficulties that may potentially cause you or a child a safeguarding concern, then please let me know. As I am sure you aware, the whole point of this is to reduce close contact between adults, but if there are one or two individuals who are struggling, then common sense must prevail and we can always make exceptions. The morning drop offs are proving to be incredibly successful, with children settling much quicker into their learning.

On a completely separate note, I thought I would send out a polite reminder that the school grounds has a strict no dog policy. With the exception to guide and service dogs, who are warmly welcomed. If you need any information regarding this, again - please just ask me.

And finally, I thought you'd like to know, there is such a positive vibe around the school at the moment. A real momentum of learning and fun. If ever I am getting bogged down in risk assessments and cleaning products, I just have to wander the corridors (socially distancing of course) or look in from outside the room, to see the fun and learning taking place in every room. So well done to all the children, to all you parents and to all the teachers and staff. As a wise person once said to me, "keep weaving the magic of learning - the children are only children for a short period of time. It's our duty to make it amazing and special for them".  
Very wise and true words.

Thank you all and have a great weekend.  
Kieran Walsh
