Autumn Term Issue 11

Another week has flown by! I've enjoyed spending time with the children this week, observing learning in Y2 and Y3 as well as teaching in Y4 and Y6. I'm really looking forward to spending more time in classes over the next few weeks.

We received several positive comments from members of the public about the behaviour of the Y6 children on their trip yesterday. The Y6 children (and parents) also made a great effort with their cake stall. Thank you everyone!

Thank you also for your support with Children in Need day. The children look great with their spotty socks, ties, nails and bows. In school today, we are creating opportunities for 'random acts of kindness'. The class reporting the most acts of kindness will win a prize.

I'm pleased to say that our focus on being polite has started to show around school with lots of children using their manners in all aspects of school life, which is fantastic to see and hear. Well done – keep it up!
