Issue 10

Dear Parent/Carer

I hope you are all well and safe. I thought I would update you with regards to September opening, and communicating this with yourselves over the next few weeks. We are now entering into our final week of term, so while I am conscious that time is 'running out', I am also very mindful that things still continue to change, thus making 100% concrete plans tricky to make. That said, I am pleased to inform you of the following:

School will be fully opened in September and we will be expecting and making plans to accommodate all children. We will not be able to offer any wrap around care at this time, however we will be slightly adjusting our drop off and pick up times. On Monday 13th July, I will be emailing you a FAQ document and some more detailed plans. At this moment in time, these plans are being scrutinized and quality assured, to make sure we are compliant with government guidelines. My key drivers in all the decisions being made are safety and children's wellbeing.

On a separate note, it has been a joy seeing so many children back in school this week. I realise how daunting it may have been for so many of our children - however, they had a lovely time and we look forward to seeing more happy faces next week. Thank you to our all our teachers and TAs who have facilitated this.

I hope you all have a lovely weekend and I hope the information on Monday answers any questions and concerns that you may have.

Have a great weekend
Kieran Walsh

End of Term

Please note the school term ends on Friday 17th
July 3.15pm for Summer Holidays.
First day of term Friday 4th September.

FSU

We have been enjoying the book 'The Singing Mermaid' this week and have been practising our circus skills in school and at home. It was so lovely to catch up with everyone at our picnic lunch too.....even though the weather turned it into an indoor picnic!

Miss Steele

Extreme writing award goes to Heidi this week for testing to see if she could write whilst in the bath!

And well done to John for making train track biscuits for our picnic.

Caitlin wrote a fabulous sound poem this week. She used so many beautiful describing words. Well done!

Dalton is a maths wizard! He always works through the maths weekly and uses brilliant resources to help and show his understanding. Well done!

Year 1

Fantastic week of learning Year 1, keep up the great work.

Miss Kenchington

Dylan showed great understanding of fiction and non-fiction books and was able to sort them into the correct group. Well done Dylan!

Ruben wrote some fantastic questions to ask a Lighthouse Keeper. Amazing work!

Jensen wrote some superb sound words this week. He even came up with a few of his own! Great work.

Year 2

Year 2 have had a busy week reading Roald Dahl's Fantastic Mr Fox and answering some comprehension questions. We were really excited as on Wednesday and Thursday we were able to come into school and have a farewell lunch with Miss Leah and Mrs Kalber. It was great to see some of our friends again!

Miss Leah

Year 3

Wow, well done year 3, so close to the summer holidays and you are still working hard! Some great persuasive letters this week. Keep it up guys :)

Mr Boisseau

Ella T Lost Fox poster

Beth's North American map and Flag

Beth's North American animal adventure

Year 4

This week, Year 4 have continued to read the story of 'Pax', a story of a boy trying to find his fox. They have found out about the continent of North America, made North American food and designed 'Lost Fox' posters to help Peter find Pax. They have written a recount from the fox's point of view and are now working on a North American adventure, featuring their own North American animal.

There has also been lots of growing going on- check out Kasie's courgettes and Evie's potatoes! Well done to everyone who is still working so hard on their home learning and producing such fabulous work. I love seeing it!

Mrs Walters

Ella T Pax Recount

Hi my name is pax I am a lost fox I got thrown out my little boys house because his dad didn't like me at all he said I was too wild for him so the dad pushed me in to his car and took me to a deep dark woods and left me there all alone. My little boy liked me so much but now I am in the woods all alone and now the dad and the boy have moved away. Me a little fox had to walk where they went to. I hope they take me back, I am really not a wild fox.

I am now in the woods all alone its very dark in the woods I smell fresh pine and leaves. First it is exciting then it went pitch black and I heard noises coming some where I thought I was going to scream I am left in a pitch black woods all alone at night. I do not want to sleep here, no way. I was feeling worried and scared and I felt WERE AM I.

I am stuck in the woods now its wet, dark, cold and I am all alone now I am starting to think my boy is never going to come back for me to get me out of the woods I feel sad and lonely I thought it was just a prank and he will come back to find me but maybe I thought wrong there's no way they are going to take me back they just think I am a wild fox but I am not.

Erin's North American feast of chicken and waffle nachos

Kasie's courgette harvest and minibeast hotel

Evie's flags of North America

Year 5

Y5 continue to make me smile with their imaginative ideas, creativity and motivation to keep learning. Over the last couple of weeks, I've seen lots of fantastic rainforest-themed arts, crafts and cooking! Super work Y5!

Mrs Pulley

Seb made some rainforest creatures out of clay: a bullet ant, a sloth and a Potoo bird

Evie's potato harvest

Liam and Lillie-Mae's designs for a 'Save the Rainforest' t-shirt

Madisyn's lost fox poster

Harriett's baking using ingredients from rainforests

Year 6

We have had another brilliant week in Y6. Once again, the children have shown their resilience and determination to produce their best across the curriculum. It's been great to catch up on our Google Meets- discussing what's going well, what is planned for the week and of course, take part in a few scavenger hunts for a bit of fun! They are so competitive! I can't wait to see all their faces next week (Weds 15th July) for our Y6 drop-in session where they will collect all their precious learning, as well as a well-deserved gift. Here are just a handful of wonderful pieces produced this week.

Mrs Merrifield

Amelia's Maths (reflection)

Gracie's story continuation from last week

Keyworker / KS1 Bubble

This week the Keyworker/KS1 bubble went on a minibeast hunt after reading 'James and the giant peach'

Casey's storyboard of 'The Alchemist's Letter' film

Enzo's artwork inspired by 'The girl in the attic' painting
