Spring Term Issue 9

Dear Parents and Carers

Yesterday afternoon and evening, some of our children took part in the Redruth Learning Group's dance performance at the Regal - it was simply amazing! Our Y4 children took dance as a class in their fantastic 'Merry Maidens' performance, while some of our Y5 children performed as part of the RedYouth dance group - their 'Spies' dance was brilliant! Two of our Y6 children did an excellent job as 'ambassadors' at the performance, showing the audience to their seats. Harriet and Amelia in Y6 took part in a wonderful African inspired dance, joining with girls from other schools to perform. Will T and Josh in Y5 performed in a dazzling finale of dance through the decades which saw all the children on their feet joining in with dances such as the Macarena, Gangnam style and the current favourite of 'flossing'! I also spotted some parents doing a few moves! The majority of our children taking part have had no previous dance training and it was really moving to watch their excitement and joy at being part of such an amazing experience. Thank you to Mrs Walters who made all of the arrangements for our school, and to Mrs Brown who spent the whole day and evening as a parent helper.

This week has also been a great week for sports with a Year 3/4 team taking part in football matches while our runners participated in a cross-country event at Pool School. Finally, congratulations to one of our Y6 children, Will Butler, who won gold representing our school in a Judo competition - an outstanding achievement! It's been a fantastic week and we are so pleased with, and proud of the children at Lanner. However, I would also like to say a huge thank you to our parents and carers who have provided transport to and from these events. Without your help and support, it would be more difficult for the school to provide these opportunities. Thank you.
