Autumn Term Issue 1

A very warm welcome back to you all. If I have not yet met you or had a chance to introduce myself, I am Kieran Walsh and am the new Headteacher here at Lanner. I look forward to working with you over the coming days, weeks and years. I have received a very warm welcome by everyone in the community thus far - so a genuine thank you from me.

Over the summer, we have had a lot of work carried out at Lanner School. New internal and external fire doors; new kitchen rollers; a new library/learning space (not yet finished); and a new nurture/learning mentor room. In addition, every classroom has been painted and decorated. The work is set to continue during holidays and weekends to ensure that the children here have the best possible learning environment that we can offer them. I will keep you posted of any new projects as and when they commence. I recently sent out a letter with some key dates that may be of use to you. I will endeavor to get this onto our new school website too. I hope you all have a great weekend and look forward to meeting you all soon.
K Walsh, Head Teacher
