Autumn Term Issue 07

Dear Parent/Carer

We have made it to half term... A bit battered and bruised, but we made it and the children are happy and learning. I hope you are all well and safe, and to our families and staff who are currently suffering from, or impacted by, Covid 19, I wish you a speedy and full recovery. Let's hope the half term break calms things down a little.

**COVID 19.** Some new guidance has come in this week, asking that anyone who has a positive case within their household, or if they are a close contact, to 1) Take a PCR test and 2) LFT for up to 7 days thereafter. Numbers seem to continue to go in the wrong direction, especially with regards to schools. You may also have heard that schools are being asked to reconsider indoor assemblies, reintroduce bubbles (where positive cases) and for staff to wear face coverings in communal areas. Again, to reassure you, as a precautionary measure, we have been doing this since returning in September.

**INSET DAY:** Just a reminder that Monday 1st November is an inset day here at Lanner, so there will be no school until Tuesday 2nd November.

**Other News:** Despite everything that is going on, we will be planning on having school class photos this year. We will also be writing to you with regards to nasal flu immunisation for children. In addition, we will continue to plan educational trips for the children, however as you may be aware we had to cancel our first trip of the year (year 4 trip to Carn Euny) due to Covid, but nonetheless, we will continue to make plans and review and monitor situations on a daily basis. Sadly, as previously mentioned, we all seem to have become experts on quick changes and adapting to new situations with very little or no notice at all.

That is all from me this half term. Despite everything, I have loved every day of it - well....nearly every day:) Having all the children back in school and a full staff has just been wonderful. A reminder of what we have missed out on over the past couple of years. In some ways it has made me appreciate things so much more, in both my work life and my own personal life. Sadly, I will not be at school tomorrow to wish you and the children a farewell for the half term. I really hope you all have a wonderful break and I look forward to seeing you on Tuesday 2nd November.

Kind regards  
Kieran Walsh
