Summer Term Issue 2

Dear Parents and Carers

Already, this term the children have had several visitors into school while others have been out and about enjoying new experiences. This week Y1 have been on a trip to the farm and, despite the weather, had a lovely time, while EYFS had visitors in the form of little chicks which delighted the children! Y6 have had a special afternoon of Science exploring refraction with Mr Pidwell from Redruth School which was very interesting!

The RNLI also came in to school to speak with KS2 children about keeping safe on the beach and in the sun this summer. Remember to 'slip, slap, slop' to keep yourselves safe from the sun and use the RNLI flags to make sure you are in the correct areas of the sea when you're at the beach.

FSU - Easter Chicks

Foundation were visited by three very cute chicks this week. Thank you to Mrs Vickery for bringing them in to meet us.

KS2 - RNLI Visit

KS2 classes were taught how to be safe on the beach this season and took part in lifeguard demonstrations.

Year 1 - Hindu Day

Last Week KS1 had a brilliant 'Hindu Day' with Daya.

We learnt about 'Puja' (to pray) and the meaning behind each item on a Puja tray.

We dressed up in traditional Indian dress and Daya told us some Hindu stories.

Hindu dancing was fun! We loved making and eating traditional Indian food.
