Spring Term Issue 10

Dear Parent/Carers

I hope you are well and safe.

**COVID UPDATE:** We continue to monitor local cases as well as monitor the national picture. I was very alarmed to hear that a local primary school has had to shut its doors temporarily this week due to an outbreak of COVID19. It is clear that this virus is still very much with us and that we all must continue to follow the strict guidelines. Again, thank you for your continued efforts in, and out of school, to avoid any such incidents.

We are heading towards our final week of the Spring term next week. Hard to imagine this is possible having spent so much time at home already. That said, it is important to always try and look at the positives, so perhaps the timing is just right as in the children have had a few weeks to settle back into things, then a bit of a break, then back to a 'normal' Summer term.

Assessment: I have to remind myself of what a disruptive year these children have had. It is INCREDIBLE to see them carrying on as if nothing has happened, whilst also heart wrenching to think of the trauma that may have been caused. We have assessed all the children now and are working on plans to catch up with any areas that may have slipped. We are also very conscious about their mental wellbeing and will continue to monitor and address any issues as they arise. I will say, they seem so happy to be back and the sound of laughter and learning is so reassuring. I wish I could capture it somehow and share it with yourselves.

That is all from me this week. Please stay safe and I hope you have a great weekend.

Kieran Walsh

### Year 6 - Redruth School Transition days.

We have begun to plan the current Y6 student transition to Redruth School and hope that we will be able to hold our traditional transition days on the 29th & 30th of June this year.

Should Redruth School need to amend these days for any reason we will be in contact.
