Spring Term Issue 09

Dear Parent/Carers

I hope you are all safe and well. I thought I would give you an update on how the children have returned and settled in. Obviously we have been putting a huge amount of attention and focus on the children's mental health and their well being, but we have also been assessing their academic abilities. On the whole, we are really pleased. Obviously there are pockets of learning that we will address accordingly, but it is clear to see that your hard work with home learning has really paid off. So on behalf of all of the teaching staff here, thank you again for your commitment and efforts during lock down.

**COVID 19 UPDATE:** Staff continue to test twice weekly and lots of parents are now using the Lateral Flow tests. Just a reminder that if any of you would like to take regular LFT tests you are entitled to do so and can collect the test kits from Heartlands test centre. Details can be found by following this link  
<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Despite a lower than national number of cases across the County we are still being extra vigilant here at school as we do not want to shut any bubbles (or the actual school), so we thank you for your continued efforts in following the guidelines.

That is all the news from me this week. School is really buzzing and it is starting to feel like 'normal' again - whatever that is. We hope that things continue along this path and that we can start planning things such as Sports Day etc. Fingers crossed.

Have a great weekend everyone.

Kind regards  
Kieran Walsh

World Poetry Day

This Sunday, 21st March is World Poetry Day and, as we know you all enjoy a good poem, we would love for you to share your favourite poem with us! Please let us know the title of the poem and the name of the poet who wrote it and we will compile a book of everyone's favourite poems which you can read in our Poetry Pitstop. Alternatively, you may wish to write your own poem and send it in. Please send them to [learning@lanner.cornwall.sch.uk](mailto:learning@lanner.cornwall.sch.uk). On the day itself, you may like to read some poems, watch some online (who can resist watching Michael Rosen's poems), or even challenge yourself to learn one off by heart!
