Autumn Term Issue 3

Dear Parent and Carer,

I would like to start by saying how lovely it was to get our breakfast and after school club up and running (BLAST). Seeing familiar and new faces was great to see. I have been carefully monitoring the numbers and how we are operating this week, and I am confident we can continue to function and grow, in a safe and fun environment. Thank you to the parents for supporting us and allowing us to be able to continue to offer this service.

Over the past few weeks we have been working really hard to ensure your child(ren) have settled back into school life. We have adapted and altered our curriculum to ensure their mental well-being needs are being addressed. I have received numerous emails from parents commenting on how happy their children are, and thanking their class teachers for relighting that love for learning again.

Thank you - we really do appreciate your feedback. Next week's assembly will be focused on our three main characteristics of effective learning. Motivation, Thinking and Listening. Be sure and ask your child(ren) what they have been learning about next week, as each class will be following on from my assembly and revisiting learning techniques, building resilience, the workings of the brain and equipping children with the skills to really see themselves as learners. As life long learners. We pride ourselves and our school on this, but now - more than ever - it is incredibly important that children are motivated and engaged in their learning.

As always, thank you for your continued support.

I hope you all have a great weekend.
Kieran Walsh

Blast

This week we saw BLAST'S doors reopen. Miss Latus and Mrs Goodwin would like to say a big thank you to those parents that have already supported the club this week. It has been wonderful to see new faces join and reunite with some familiar ones.

Though we miss our regular room with its luxuries, the hall has come with bonuses!! With a larger space to play in and a big screen for dance and entertainment videos.

Each year group have their own bag of equipment and have been putting them to great use.

HAPPY BIRTHDAY

A big happy birthday from all the staff, to the following pupils who have a birthday this week!!
