Light and Lanterns!

The nights have well and truly drawn in as we enter into winter but we have several events to light up the dark evenings at Lanner. Last night, the FSU staff welcomed the children and parents back into school in the dark to enjoy their light and dark party inspired by their learning about Diwali. Despite the drizzle, the children had a great time exploring the school grounds with their torches and rounded off the event with a bonfire, hot chocolate and star-shaped biscuits, which they had made earlier in the day. Thank you to FSU staff for organising such an exciting and memorable event.

Over the last few weeks, the Parish council have been working with some of the children in art club to create willow lanterns which will be carried through the village on the evening of Friday 8th December for the Lanner Christmas lights switch-on. Thank you to the Parish council for providing the resources and support, and also to the school staff involved. We look forward to seeing the lanterns in the parade!

Finally, the Year three children have recently made their own lanterns, which they will be carrying this Saturday in the Redruth Lantern Parade. We really appreciate the support from parents and carers who helped the children make their creations and hope to see you all there!

Home - school communication

To make communication between home and school a little easier, we have listed the staff's school email addresses below. We envisage that you may use the email to inform staff about issues which you might otherwise do at the classroom door; to notify them of changes to pick-up; or if you need to arrange an appointment with the class teacher. Whilst staff will make every effort to respond to your email, please be aware that responses may not be automatic. Also, should you email outside of school working hours, you may not receive a response before 8am or after 5pm.
