Autumn Term Issue 12

Dear Parent/Carer

A massive thank you to all of you who attended our Christmas Fayre last week. It was my first one here at Lanner so I took the approach to step back and watch (and follow instructions from Miss Leah). I was blown away by your support and generosity in making this wonderful event take place. The library was full of gifts and as you are probably aware we raised an awful lot of money that will make a huge difference here. Thank you to all the staff too - especially Miss Leah - your hard work and effort was amazing. I know the children had a fantastic time.

A personal thank you again to Chris Johnson for giving up his time to paint our fantastic superheroes on the school wall. Next time you are in please have a look - they are an integral part of school life here and we are so grateful.

Have a great weekend all.
K Walsh

Learning Powers

Over the past few weeks, the children have been bringing in their ideas for superheroes that could represent our three key areas for 'Characteristics of Effective Learning'. These were **Motivation, Engagement and Thinking**. Some of the designs were amazing and the school council had a hard time trying to pick one hero for each area. In

fact, it was so challenging that they had to combine elements from lots of individual designs and come up with their own heroes. We were then fortunate enough to have a parent volunteer to put these ideas onto paper for us and paint them up on our school wall (Chris Johnson). We were delighted to unveil our superheroes in assembly today, all of the children and teachers were blown away by this amazing piece of art. Thank you so much to Chris Johnson for your hard work and dedication to our school. It will have such a positive impact on so many lives.
