Spring Term Issue 2

Dear Parent/Carer

This term we are having a big push on improving our whole school attendance. As you may be aware the national average is 96%. Hopefully the following points might be of assistance:

- * Refrain from taking time off for holidays during term time.
- * If your child has a slight cold or mild symptoms please send them in.
- * If your child is anxious or upset about anything - talk to us - we will always try and help.

If ever you are in any doubt please just give us a call. We have a highly trained and skilled staff here who will be able to offer you advice. Our learning mentor and first aid lead, Mrs Pascoe, is always on hand to offer advice and guidance should you need it.

Thank you in advance and thank you for your efforts already to improve attendance. Having your children at school every day makes such a positive difference to their education.

Have a great weekend.

Kieran Walsh

Surplus School Uniform

If you have any good quality school uniform at home that you no longer require, please could you drop it in to school. This can be used in future and will be made available for families to purchase at public events, such as our Summer Fayre. Our first collection will be 28th January.

Many thanks
