Summer Term Issue 7

Dear Parent/Carer

I am away with the Year 6 children on the London trip this week, we are all having a fantastic time.

I shall be back to School on Monday.

Have a great weekend

## Sports Day & Sports Week

Letters have gone home this week in the children's bag with information regarding sports day & week. Please check to make sure you have received it, if not please come into the office for a copy. Along with this a sponsorship form was included which is helping us to raise money for a defibrillator. Please ensure that any sponsorship comes from known friends or family, no door to door canvassing.

## Half marathon

What an amazing experience!

It was a brilliant atmosphere at the start of the day, despite it being a little cold. We had a cold, heavy shower for about the first half mile but it was dry for the rest of the run, thankfully! There were a fair few deep puddles to dodge and a fair bit of mud, but that kind of added to the fun, the time was 2 hours, 41 minutes and 11 seconds.

Thanks again to everyone who has donated so far, please keep sharing!

## Redruth United Football Club

**PLAYERS WANTED**

Redruth United FC are offering players who are in the following age groups from September, the opportunity to attend open training sessions at the club.  
Next season, U7, U8, U9, U10, U12, U14, U15 male players & U12 female players will be training and playing regular fixtures, in a high-quality environment on a weekly basis.

The open training sessions are on Thursday 11th July and Thursday 18th July held at Clijah Croft, players in attendance can come along and get a feel of what the club is like, whilst also demonstrating to coaches a bit more about them as a player. The open training session will see a range of coaches in attendance watching the players.

It is hoped that more players from the youth section of the club will come through our club pathway in the future and go on to represent the club at the highest standard.

The 2019/20 season, will see teams train weekly focussing on the technical and tactical aspects of the game, which will include age appropriate strength and conditioning training, as well as a coaching mentoring system in place, led by senior staff at the club, to ensure the players are getting the very highest standards of coaching on a regular basis.

At the open training session U7, U8, U9, U10 & U12 female players will attend from 5.30-6.30pm, whilst U12, U14 & U15 players will attend from 6.30-7.30pm.
