Autumn Term Issue 4

Dear Parent/Carer

It's been a busy time with parent consultation meetings running this week. The teachers have really enjoyed meeting with you and sharing your child's learning. As well as providing you with an insight into your child's learning, it has also been a fantastic opportunity for the teachers to reflect on just how much your children have already achieved this year. We really are extremely fortunate to have such an amazing group of kind, caring and enthusiastic children at Lanner! If you haven't yet been able to meet with your child's teacher, please do make an appointment so we can keep you up-to-date with your child's progress and targets. Have a lovely weekend.

Tamsin Pulley

As you may have noticed, Mr Walsh has not been in school this week having suffered a family bereavement. In the meantime, if you have any queries, please contact our assistant heads, Mrs Pulley or Mrs Merrifield via the school office.

Computing and Online Safety

In line with our Safeguarding policies, and following a recent online safety assembly, each child will be bringing home a document, titled Acceptable Use Contract, which explains the rules for keeping them safe online, as well as the expectations for using the school's computer equipment safely and respectfully. We would appreciate it if you could discuss these rules with your child, then sign and return it to school.

There are two versions, KS1 and KS2, which address the different expectations at each key stage.

For parental advice regarding how to keep your child safe online, as well as where to find information and reviews on age-appropriate games and films, we recommend the following sources:
