Autumn Term Issue 5

Dear Parent/Carer

At Lanner, we love reading! The curriculum in every class is based around carefully chosen books to engage and inspire a love of reading and to enable your child to explore the possibilities that books can provide - whether that is being a superhero, blasting off into space or travelling to far-off lands. Today, your child will be bringing home a list of recommended books for their year group. We do not expect your child to read all of the books on the list but thought some suggestions might be useful should you be looking for new ideas that are appropriate for your child's age group. On your child's list, you may find that some of the books have already been ticked off; this is because your child either has read, or will be reading them, as part of their learning in school. We hope you enjoy choosing and sharing some of the books with your children.

## IMPORTANT - Traffic Issues

## Year 2's Trip to Mrs O'Shea's Farm

On Tuesday 8<sup>th</sup> October Year Two went on a trip to Mrs O'Shea's farm because we had been learning the story of 'The Three Billy Goats Gruff'.

To get there we had to walk up a steep hill filled with crunchy, dry leaves. On the way we saw a troll that had been turned into a tree because it had been very naughty!

When we got to Mrs O'Shea's we went on a troll hunt. We had to search in the dark, gloomy woods. We had to save our trolls to trade them in for a surprise at the end of the afternoon.

We had lots of activities to complete at Mrs O'Shea's including drawing the goats, planting a daffodil bulb and looking at where the goats lived.

We found out lots of information about goats, including that they have three stomachs. At the end of a busy, warm afternoon we traded our trolls in for a delicious, fruity lolly! We had to eat them quickly so that we would get back to school in time!

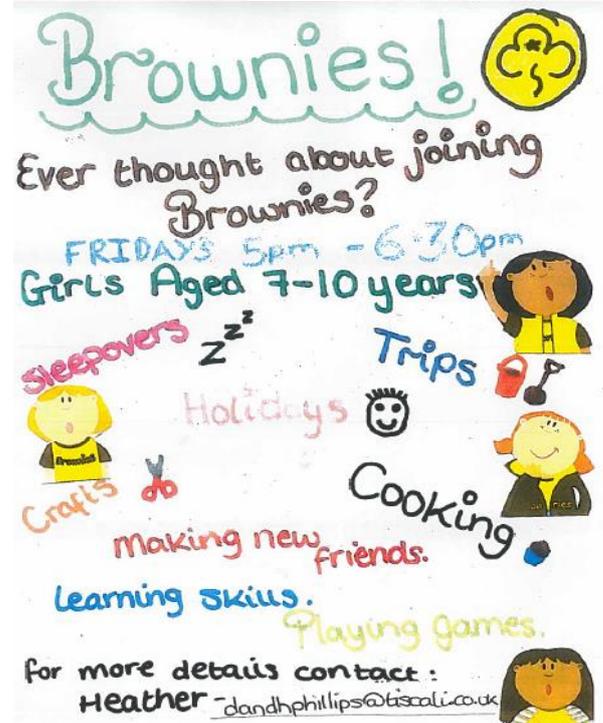

Thank you to Mrs Pascoe, Mrs Kalber, Mrs Marshall and Mrs Brough for coming with us and a huge thank you Mrs O'Shea for having us, we had a brilliant time!
