

Christ the King

Year 1 Autumn 2 Newsletter

Learning together in faith, hope and love

Dear Parents and Carers,

One half term over already! Time is precious so we must use it wisely. Our children have learned so much so far in Year 1– forming letters and numbers correctly and reading in small groups. This half term we will continue with these skills and lead on to sequencing sentences and counting up to 100. Look on our web map for more details of our curriculum this half term.

Thank you for your continued support.

Year 1 team.
