

Important Information

Mrs. Kennedy and Mrs. Cooke will be running our new Breakfast Club. They are both experienced childcare practitioners with many years experience of working with children. Both members of staff currently work in school— Mrs. Kennedy is our Learning Mentor and Mrs. Cooke is a Teaching Assistant.

The Breakfast Club aims to provide a safe and calm start to the day for all children and offers a range of healthy breakfast options. Children will be able to engage in activities before being taken to their class at the start of the school day.

Special dietary requirements can be catered for with advance notice.

We hope you will give our new provision a try.

We look forward to seeing you in September
