17<sup>th</sup> July 2018

Dear Parents,

Please find attached the comparative reports for Foundation Stage, KS1 and KS2. The results are unvalidated until the autumn term but please be reassured that we paid for private moderation of our assessments in May 2018, and also the Local Authority moderated the results in June 2018. Both found them to be accurate.

In KS2 all the results are a huge improvement from last year for 'expected' and 'greater depth.' We are above, or in line with, national in all areas except Maths. Every child in this year's cohort is 9%

Key Stage 2	2017		2018	
	Expected %	Greater Depth%	Expected %	Greater Depth%
Reading	62.5	12.5	91	36
Writing	37.5	0	91	18
Maths	50	0	64	18
SPaG	62.5	0	91	27
Combined RWM	37.5	0	64	9

In Key Stage 1, our expected results were not as good as last year but we have improved the amount of children achieving greater depth considerably. We are above, or in in line with, national results in all areas except writing. Every child in this year's cohort is 10%.

Key Stage 1	2017		2018	
	Expected %	Greater Depth%	Expected %	Greater Depth%
Reading	90	0	70	40
Writing	80	0	50	30
Maths	90	0	80	20

Y1 phonics has improved considerably from 2017 and is above national.  
Foundation stage (Reception) results have continued to be 80% and above national.

	2017	2018
Y1 Phonics	63%	86%
Early Years	80%	80%

On 6<sup>th</sup> July we had a monitoring visit by the Local Authority. In the report it states that-

*OFSTED recognised that the school leadership knew the school well and the key issues for development. The returning staff have made up the complement of subject leadership and the HT has written a very comprehensive action plan to deal with the key issues identified by OFSTED. The progress against the key issues has been carefully and regularly tracked and evidence gathered to verify improvements. A key element in the improving picture is strong team work.*

We know that there is still work to be done and we will continue to embed and improve the initiatives that we have been working on all year. Next year as well as continuing with the reading including the use of Accelerated Reader, the maths with the new maths scheme and the writing, we will also be introducing a new spelling scheme which will start in the Autumn term.

A review of governance took place in April. The report states that-

*This is a Governing Board who are committed to School improvement and there is little work needed to become a more effective Governing Board.*

The governors will be writing a strategic plan in the autumn term which will focus on

1. Vision for the School
2. Training
3. 20 Key Questions
4. Competency Framework
5. Performance Management
6. Governor Self-Evaluation
7. Data

We hope that you have an enjoyable summer holiday, and wish the Year 6 children good luck when they start at their new schools in September.

Kind regards

G Yates
