

Curriculum Coverage 2015-16

Below are the 'essential questions' that drive our projects each term. The theme for each term remains the same but the project focus is child-led and therefore will change year on year. Teachers track the curriculum coverage very carefully to ensure that the objectives with the national curriculum are covered. Use of the 'Non-Negotiables' also support rigorous coverage.

Class / Year group	Autumn Term	Spring Term	Summer Term
Theme	Past	Present	Passion
Reception / Red Class	What is the magic of me?	What will you discover in an enchanted wood?	<i>Projects will be chosen using the children's & teacher's passions</i>
