## Parent / Carer Permission Form: digital technologies

Parent / Carers Name: .....

Student / Pupil Name(s) .....

As the parent / carer of the above *students / pupils*, I give permission for my son / daughter to have access to the internet and to ICT systems at school.

*I know that my son / daughter has signed an Acceptable Use Agreement and has received, or will receive, online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.*

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

I understand that my son's / daughter's activity on the school systems will be monitored and that the school will contact me if they have concerns about any possible breaches of the Acceptable Use Policy.

I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's online safety.

I understand that the school will contact me if unsafe computer use at home is reported at school, and may refer for specialist support if this raises safeguarding concerns.
