RE is super interesting and the stories are even better.

RE is really enjoyable

We learn about what's right and wrong in Mr Foster's lesson.

We also learn about what's right and wrong in Mr Foster's lessons.

We learn a lot of these things from Mr Foster.

You can learn about what's right and wrong with Mr Foster, other faiths and people.

Mr Foster teaches us what's right and wrong and faiths.

I don't really get the questions and I don't enjoy RE.
