04 February 2021

Dear parents and carers,

### FRIDAY FUN DAY - 12 FEBRUARY

Many thanks for a wonderful week full of well-being activities that the children have completed to a high standard. I know that in Year 3 we had some creative Healthy Living Superheroes with some clear advice on how to keep our bodies and minds healthy.

Following on from this week, we would like to approach next week's learning with a continued focus on the children's well-being. We will be planning more learning opportunities that will allow increased time away from screens and will culminate in FUN DAY FRIDAY on Friday 12 February 2021.

FUN DAY FRIDAY will be a day where the children will be able to dress in a fun way and choose their own learning activities from a grid. Their class teacher will let you know how many activities they will have to complete for the day.

We hope that the children will enjoy the week as much as we will enjoy planning for it!

The children should please keep the evidence of completing their activities for when we return after half term, as they will have the opportunity to share their learning with their class throughout the first week back.

Thank you for your continued support.

Kind regards,

Mrs Exall
