

The Hawthorns Primary School

1st April 2019

Dear Parents and Carers,

PHONICS SCREENING

During the week beginning April 29th we are carrying out a second phonics screening practise in preparation for the actual screening at the beginning of June.

Once the children have completed the screening practise we will put their score, along with their individual gaps, in their diaries. This will indicate what sounds they need to focus on. Historically the pass mark has been 32/40.

Following on from this, we would like to take this opportunity to invite you to a Phonics afternoon on Friday 10th May at 3:00pm.

Below are some resources to help support your child with their phonics at home. On your classes 'eSchools' page there are also links for you to follow and use as you wish.
