Dear Parent/Guardian,

Opportunity for your child to receive Scooter Training

We are pleased to inform you that we are offering scooter training for the children in Year 1 on Friday 25 June.

The main objective is to improve your child's awareness of road safety issues, particularly with those children who use their scooter to travel to school. The training would involve 15 children at a time on the playground for a 45-minute session.

This training is being organised and funded by Wokingham Borough Council and the instructor has DBS (Disclosure & Barring Service) clearance. The instructor will have no direct contact with your child, only giving instruction and demonstrations (the scooter will be sanitised after if instructor needs to touch).

Your child will need to bring with them for the session:

- **A scooter** (labelled with child's name)
- **A helmet** (which must be of the correct size and fit properly)

Please note that sessions are held outdoors. Please ensure that your child has some **wet weather clothing** e.g. a shower or waterproof jacket as a minimum. The training will continue in light to moderate rain but will be suspended if there is a heavy downpour.

I do hope you will register your child for this training and look forward to receiving your completed slip by **Friday 14 May**.

Kind regards

Miss Mapleston
