Dear Parents and Carers,

### READING EGGS/EGGSPRESS

Thank you to those of you who took the time to use the Reading Eggs/Eggspres programme during our free trial, and for completing the survey.

We have now analysed the results and, although some parents have posted very favourable reviews, we unfortunately feel that there was not enough of a positive uptake to justify the very considerable cost of this programme; therefore, we will not be introducing this into the school at the moment.

I hope that this is not too disappointing to those who really liked the programme. Reading Eggs is available for parents to take out a private subscription for individual families, so you may feel that this could be a possible route if you would like this for your child.

Thank you once again for all your help and support.

Yours sincerely
