

## Using My Maths to Learn your Times Tables

1. Login to mymaths at <https://www.mymaths.co.uk/>  
Use the login: **chyngton**  
And the password: **square**

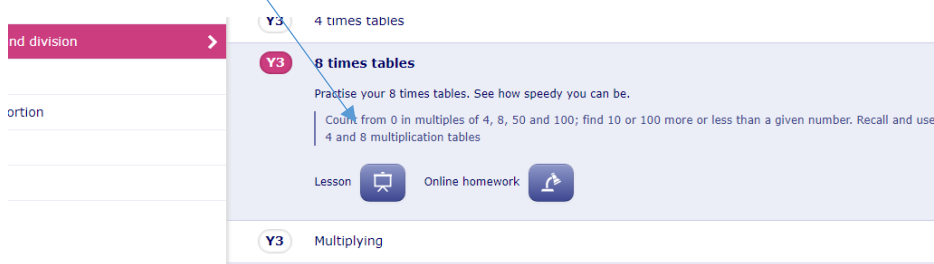

2. Log in to 'my portal' using the login and password I gave you

3. Click 'number' and Multiplication and Division (as highlighted below).

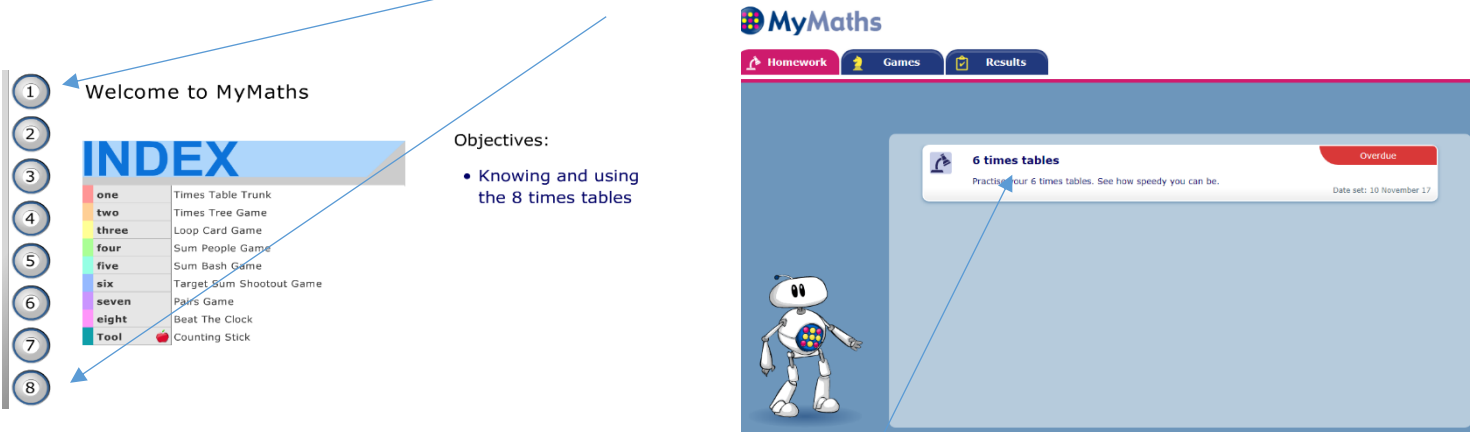

4. Select the times table you have been asked to work on

5. Click on lesson

6. Work your way up from the easy to the hard activities

7. Once you have practised the activities, do the homework!
