

# St Teresa's Catholic Academy

## SUMMER TERM 2019

### NEWSLETTER 3

7 JUNE 2019

[www.st-teresas.wokingham.sch.uk](http://www.st-teresas.wokingham.sch.uk)

As we approach the final few weeks of this academic year we can experience a wave of emotions; perhaps some exhaustion, excitement, and worry because of changes ahead. As we journey through the rollercoaster of life we are so fortunate to have God, always by our side, to experience the ride with us, to share in our delights and give us comfort when we need it. *"I pray that the God who gives hope will fill you with much joy and peace while you trust in him. Then your hope will overflow by the power of the Holy Spirit."* (Romans 15:13-14)

#### Mini Vinnie Cupcake Sale

Please see attached letter with information regarding the Cupcake Sale on Thursday 13th June

#### **Maths Competition by Ben, Jamie, Jean-Seb and Raphael**

On the 3rd June 2019, Ben, Jamie, Jean-Seb and Raphael went to a Maths Competition at Luckley House School. These four talented Year 5's competed against many other schools. When they arrived they saw 12 different tables. We did a card game, Pentominoes, Curly's Cycling, The Answer Is game, Shopping Shade and Broken Calculators. Ben and Jamie came joint 2nd and Raphael and Jean-Seb came 4th. We loved it. At the end we got to have biscuits, crisps, apples and juice.

#### **Help us receive funding for our school!**

All you need to do is register at [www.greenredeem.co.uk/wokingham](http://www.greenredeem.co.uk/wokingham) and you can start collecting points. Through reducing waste, recycling at home and taking other green actions you can earn points to donate to our school. You also receive money off at local shops and restaurants and can win some great prizes.

The donations scheme runs until the end of September so there's plenty of time to get donating! The more points the school gets, the more funding we will receive and there's £3,000 up for grabs!

Please sign up today, spread the word and get donating!

#### Staff News

Sadly, in September we will be saying goodbye to Miss Moran and Mr Koroma as they move on to new schools. I would like to thank them for their contribution to the school during their time with us and wish them every success for the future.

### Healthy schools

Our Healthy Schools group have been very busy this year and are currently collecting a few items to recycle. Please send in your plastic bottle tops and any used batteries.

### Summer Holiday Club

Please see attached flyer regarding the Funtastic Kids Holiday Club.

Although it seems a million miles away now I wanted to say thank you to all members of our community; staff, pupils and parents for enabling us to have the most amazing Sports Day! The sun shone, the children demonstrated great sportsmanship and there was a healthy competitive spirit throughout, although some members of staff may have got a little carried away! It was a lovely way to end our half term. Well done to everyone and congratulations to our overall winners, Windsor House.

Next week is our Computing week, 'Hack to the Future.' The children will be off their normal timetable and will visit every class in the school over the course of the week to take part in a different tech activity. As always the staff have surpassed themselves with the activities they have planned, in addition Miss Greenwood has invited a number of special guests into school to share some exciting experiences with us. It proves to be a fantastic week and I hope as many of you as possible will be able to join us next Friday at 2pm to celebrate all the children's work.

This half term is always the busiest one of the year, and this year is no exception! We have lots of events planned so please take time to make a note of the key dates at the beginning of the newsletter to ensure you don't miss out. This information can also be found on our school website.

Best wishes,

*Mrs Nikki Peters*

Headteacher
