

'Learning together, loving others, guided by God'

Heene Church of England (Aided) Primary School

Headteacher: Mrs Jo MacGovern

Friday 1st December 2017

Dear Parents /Carers,

We have now completed costing out the CGP revision books for our year 6 children. As explained at the SATs meeting in November, the school will be purchasing the basic books for the children and these will be used for homework. This will be followed up in class and your child will be fully supported in using the revision books for maximum impact.

SATs CGP books the school are ordering for every child

1. KS2 Maths SATs Buster ARITHMETIC
2. KS2 Maths Targeted SATs Question book FOUNDATION, STANDARD or ADVANCED level
3. English reading bundle SAT BUSTER BUNDLE – this will include GPS, Maths and Reading.

ADDITIONAL BOOKS

There are additional books that we are recommending for children. These will support them further in developing the skills needed to succeed and feel confidently prepared for the tests in May. Children do not have to have these additional books but the option is there for you to purchase them at a reduced price through us if you would like to.

If your child is pupil premium the school will be funding the cost of the additional books so there is no need to complete an order form.

If you would like to place an order please complete the form with your book choices and return the form to the Front Office by Friday 15th December.

All of the CGP books are high quality revision aids and have been successfully used across schools for a number of years. This year's books have been adapted for the 2018 tests and will give the children plenty of example questions to build their confidence.

After Christmas we plan to offer early morning sessions for additional SATs revision as well as after school sessions for identified children. Further details will follow at the start of the Spring term.

Please do not hesitate to contact us if you have any queries about the revision guides.

Thank you for your continued support.

Year 6 Team
