10 May, 2019

Dear Parents,

### Year 5 Sex and Relationships Education (SRE)

We have been looking at the life cycles of plants and animals, and after half term we will be teaching pupils about human reproduction and sexual relationships. For your information, we will be covering the following topics:

Week beginning 10 <sup>th</sup> June:	What's good about being a boy or girl.
Week beginning 17 <sup>th</sup> June:	What's good about family, physical differences between boys and girls. 'How did I get here?'
Week beginning 24 <sup>th</sup> June:	Changes during puberty.
Week beginning 1 <sup>st</sup> July:	'How babies are made', 'How babies are born', baby development, pregnancy and looking after a baby.

There will be an opportunity for parents to watch the 'Sex and Relationship' video and look at the resources we use for this topic on Wednesday 22<sup>nd</sup> May at 3.45pm. We would appreciate it if you could make arrangements for the care of your children during this time, as we cannot accommodate them whilst you are with us.

Yours faithfully,  
Year 5 Teaching Team
