Good Morning

Discovery Education have made the whole of their online learning suite available to your children until 31st May. The children may have already used the Coding part of this in school.

Please visit <https://www.discoveryeducation.co.uk/>

In the top right hand corner click on login
Your child may choose Coding or Espresso

Then enter the
username: **student4749**
password: **apples**

Every child in the school will be using the same account so please don't try to change the password.

If there are any problems please email it_tech@stpauls.wokingham.sch.uk

Kind Regards,

Mrs K Brook
