## SECONDARY SCHOOL PREFERENCES

In this section you are asked to state your school preferences in the order that you want them and your reasons for each preferred school.

This should include applications for own admission authority schools e.g. voluntary aided, academy, foundation, selective or schools in other local authority areas. It is your responsibility to complete any additional form for these schools.

These schools have their own admission criteria and policies, determined by their governing bodies or Academy Trust Board; so the reasons you give will assist in ensuring your application is considered under the appropriate criterion. These are usually different from the policies for Wokingham Borough Council's community schools. Parents who wish their children to be considered for entry to such schools are advised to contact the preferred school for a copy of its admission policy.
