Friday 1 November 2019

Dear Parents and Carers

Beach Clean

As part of a drive to care more about the environment, we have sent for a free beach clean kit from Surfers Against Sewage. This is in addition to the one we received and used last year.

We would like to put both kits to use, trying to eradicate some of the plastic and rubbish that gets washed up or blown onto our beaches. We would like to carry out a beach clean on Sunday 10 November at 10:30 am at Porthtowan Beach. We will start on the right as you look at the sea and work our way across to the left, focusing on the tide line.

We will meet opposite the Blue Bar by the recycling area at 10.30 am on Sunday 10 November. Families and well-behaved dogs are welcome.

Yours sincerely

Mrs McPherson and the School Council
