

How to Make an Easter Basket!

You will need:

- 1 x handle
- 1 x basket template
- 2 x split pins
- Materials to decorate with

Instructions

1. Print both pages onto white or coloured card
2. Decorate the basket and handles - only the very bottom of b and e will be seen.
3. Cut out the basket and handle
4. Fold along the solid lines
5. Cut down the dotted lines
6. Punch holes where the grey circles are and fix the 3 sections and the handle with split pins

Only the very bottom of sections b and e will be seen so make sure you save your best work for the other sections.
