For our Harvest Festival this year, we would like to make a collection at the end of the service for the **Indonesia Tsunami Appeal**. As we are sure you are aware, an earthquake followed by a tsunami struck Indonesia, leaving behind a trail of destruction. Now, hundreds of thousands of survivors are in urgent need of food, water and shelter. Our donations will make all the difference to Indonesian families in need; just £50 will feed a family of four for a month!

We would also like to support families in need locally and ask that the children bring in a **tin of food** by Thursday 18th October to collect for the **local Food Bank** as a celebration of produce at Harvest time.

IMPORTANT - Data Collection Sheets were sent home with your child last week. If you have not already returned them to school, please could you check the information and return the sheets on Monday. Thank you.
