STEM DAY

Brocks Hill were visited by a very important visitor last Friday. The Lord Lieutenant Michael Kapur, who came to the school to look at all the science inventions made by Brocks Hill pupils.

Well done to everyone for all their amazing inventions, it was so impressive to see so much talent at Brocks Hill School.

Each Year group were awarded a 'Winner's Rosette' by The Lord Lieutenant Michael Kapur.

The winners will be announced as soon as prizes have been delivered.

As there are so many photos from the day it is impossible to choose a few random ones to put in the Bulletin so a photobook of all the inventions and the event will be available to view very soon.
