School News

Goodbye Assembly and Afternoon Tea for Miss Goodright

Thank you to everyone who was able to join us yesterday to wish Heidi well and thank her for her years of service to the children and community of St. Kew. It was wonderful to see so many faces - both past colleagues and current parents and truly showed Heidi how much she has been valued and will be missed! We are sure she will continue to support the school as a parent and will be seen on the school run. Best wishes Heidi and thank you again for everything you have done for St Kew - we hope you enjoy the memories that your gifts and 'This is your St Kew life' style book will bring.

Class 2

As a reminder, Class 2 will be taught by Miss Edwards and Mrs Watson after half term. They have already met several times and had discussions with the Teaching Assistants to ensure that there is a consistent approach and the children get the full benefits of having two teachers.

Science Project update

Both St Kew and Upton Cross schools will be given seeds which have been in space with Tim Peake so that we can plant them and compare their growth with identical seeds which have remained here on Earth. We are due to start the project in April when Tim returns from the International Space Station. Watch this space for news of the growing competition.

Homework Deadline and Celebration Assembly

Apologies that these dates have not been included in the newsletter before now. Please note: the deadline for the Spring Term homework Assembly is Friday 18th March and the Celebration of children's achievements will be on Wednesday 23rd March at 2pm - please do come and join us for this.

Issues or Comments?

As always if you have any further questions about anything within this newsletter or about any other school matters, please do not hesitate to get in touch with Mr Clutsom or Mrs Murray.

Have a half term and we look forward to seeing you all
on Monday 22nd February!

From Heidi.....

“Thank you so much for all the flowers, gifts and kind works. I have been completely overwhelmed by it all.

You are such a positive and supportive school community. Best wishes to you all”
Heidi
