Our policy is for our managers/chefs to not knowingly purchase, store or use nuts or products containing nuts or nut traces.

This nut policy applies to meals, constituents of a meal, sandwiches and snacks, served throughout the school day.

This policy does not cover packed lunches, made or sourced outside the control of the school premises and eaten on site.

Customers are asked to carefully check labels of individually packaged goods to satisfy themselves as to the content of the product.

If you would like any further information on Nut Safety, please talk to the Catering Manger, who will be pleased to help.
