We are all so pleased that summer has, at last, arrived giving even more opportunities to make full use of our fantastic grounds. On a daily basis children at Locking School can be seen taking part in gardening, forest schools, PE, outdoor learning across all curriculum areas, run a mile etc. Please ensure your child arrives at school with everything needed to take part in these exciting outdoor learning activities. This includes sun protection, hat, water bottle, appropriate school shoes and PE kits. Thank you.

Lost property

Please take the time to check out lost property chest which is situated on the veranda outside of the year 6 classes. It is currently overflowing with many, many items which must belong to someone. The chest will be emptied at the end of this term with all items taken to a charity shop or disposed of. Thank you.

Debts

A polite reminder please that all debts must be paid up by the end of this calendar year. Please log onto ParentPay to ensure your child's account is not in debt. Thank you

Many thanks to everyone who supported the summer fair this year and to all of the incredible pupils who kept us entertained for almost an hour, show casing their talents. Special thanks must also go to the very proactive Friends of Locking School who, once again, worked tirelessly to ensure the event was a success. Over £1200 was raised at this event which will be used directly towards enhancing your child's education.

From September FOLs will be depleted with a number of key members moving on with their children. It is really important that this group continues, so please come along to the first meeting on Tuesday 10th September, 7:30pm in the staff room to find out how you can become involved.

Summer Fair and FOLs.

Please join us on Thursday 4th July for our annual sports day. The fine weather has been booked and sports day will be going ahead on the planned day. Children need to come to school wearing their house colour t-shirt, normal shorts and trainers. Children will know which house they belong to. Children will also need a water bottle, clearly labelled, and will need to be wearing a hat and sun cream. We will be outside for most of the day. Over the course of the day children will take part in both field and track events. Parents and families are invited to join us from 11am and are invited to bring a picnic lunch to share with their children. Alternatively the school lunch option on this day is a cold lunch in a bag picnic. Could I please politely remind parents not to bring alcohol onto school grounds for this day time event. Have a brilliant day.
