

Friday 29nd March 2019

Dear Parents,

I can hardly believe that it's nearly the end of term, let's hope the weather lasts!

As we move into the summer term there will be a few staffing changes across the school. You will have noticed that Mrs Nunn is now fully recovered and back in role full time. This will mean that Miss Saunders will return to Year 2 full time and Mrs Bennett will become the full time teacher in Year 3. We are really sad to say goodbye to Miss Extence, who unfortunately has to return to Mount Wise at the end of term. We are very grateful to her for offering to support us in the short term. She has been an excellent member of the team, and brought a great deal to Woodfield in the short time she has been with us! We will certainly miss her!

We will also be very sad to see Caroline leave from the Nursery. Caroline has worked at the Nursery for 12 years. We wish her all the best for the future, as she embarks on a new and exciting role.

A huge thank you to the Friends of Woodfield and staff for organising the fantastic afternoon tea event last week. I look forward to seeing the range of creative entries for our Easter competitions next week!

Wishing you all a lovely weekend in the sunshine!

Spring Term Governor Day

We always have a range of visitors coming in to school for a whole host of reasons on a daily basis. This week the School Governors spent the day at school visiting every classroom. The feedback was wonderful, the Governors said that all the staff and pupils made them feel so welcome. They thought the day was informative and that they were all impressed with the children's willingness to share their knowledge about their learning!

Value of the month - March—

Cooperation

If you want the cooperation of humans around you, you must make them feel they are important - and you do that by being genuine and humble.

Solihull Parenting Programme

If you are interested in taking part in our next very successful parenting programme, please come to the office to register your interest.

The course is highly recommended and has been delivered to many of our parents, both past & present.

The course is run by Barnardo's and offers up to date information, advice and a chance for a chat and a coffee.!

Water Bottles

Please can we ask all parents to make sure their children bring home their water bottles at the end of the school day.

Due to new guidelines for Health & Safety, your child's water bottle **has to** collected each day.

Thank you for your support & co-operation.

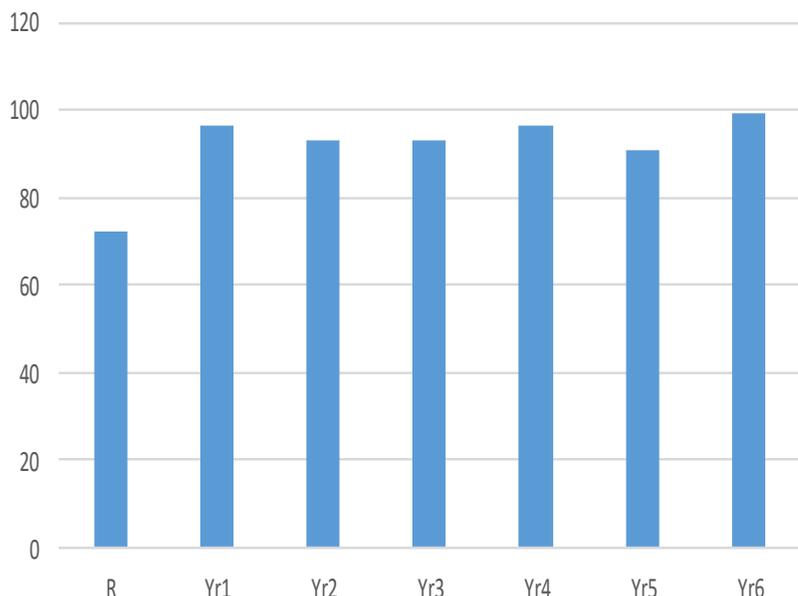

Don't forget water bottles can be purchased from the school office for £1.30 each!

After School Clubs

Afterschool activities have now finished for the term! When we come back after Easter there will be new clubs available so please keep an eye open for the letters to sign up!
