

LAT Newsletter – Spring 2019

Welcome to the Spring edition of the LAT Newsletter. Since Christmas the staff and the children have all been incredibly busy. The teachers and the leaders have been meeting regularly and have been starting to build a new and even more exciting curriculum for our

children for later this year. We are so fortunate to have so much expertise and talent in our midst. The picture on the left shows all our teachers and leaders working together on the Friday just before the February half term. It has also been fantastic to watch our wonderful children continuing their work together so well too. The picture below shows some of our children competing in a recent LAT wide

netball tournament. Our children have also been busy working collaboratively on a LAT wide ‘Maths Eye’ project and a LAT wide ‘Hundertwasser’ Art project. Look out for more information on your school sites. On the reverse of this newsletter are a sample of pictures taken from each school. There’s also a lot more to see on each school’s own websites.

For up to date news on our 8 school’s activities, you can follow me on twitter @learningatceo, or if you’d like to get in touch directly, please email me at simon.spry@learningat.uk I’d love to hear from you. Have a great Easter.

Simon Spry – CEO – 4th April 2019
