Dear Parents,
Welcome back! I hope you all had a lovely Easter break, we were so lucky to see a bit of sun over the holidays! Easter was also busy in school. Those of you who have been into the school, will see that we've had a bit of a reorganisation with the library moving and also the development of the Breakfast club room. As part of our fire-safety works we've also had new fire doors fitted on some of our upstairs classrooms, they look very smart!

Summer term is always busy with statutory tests for Year 2 and Year 6, phonics tests for Year 1, Sports Day and end of year activities. More information about these to follow.

As part of our ongoing links with South Africa, we will be welcoming visitors from our partner school in Cape Town in June. This will be an excellent opportunity for our children to find out about life in another part of the world, along with extending our link with Hidayatul School.

Please make sure that you keep up to date with your child's learning through the regular updates on Dojo and the school website. The teachers often post exciting pictures of what the children have been up to!

I am in school most weeks on a Monday or Tuesday should you have any questions or concerns. Alternatively, Mrs Nunn is available to answer any queries.

Mrs Ciara Moran,
Executive Headteacher

Thank you for supporting the Mufti day in aid of our Y6 leavers. They have a few exciting ideas up their sleeves for their next fundraising event! Each year, we always support our Year 6 class with their entrepreneurial ideas. This can certainly bring out their inner Lord Sugar so that they can raise funds to have the send off that they deserve to top off their primary school experience. It's a big deal

leaving a primary school to move on after 7 years—sometimes longer if the children have attended our Nursery! The Y6 leavers bash is always a big hit and some of their last memories of Woodfield are made here. You may think that Y6 is a long way off for your child but it comes around in the blink of an eye!
