Dear Parent/Carer

**Re: Year 5 & 6 Collection**

As you are probably aware, we permit children in years 5 and 6 to walk or cycle home from school at the end of the day without a parent.

In order for us to compile an accurate list, please could you indicate on the form below if your child will be walking or cycling home.

Please remind your child to walk or ride home sensibly and safely.

If your child needs to bring a mobile phone into school, they must hand this into the school office. Children are not allowed to have mobile phones with them during the school day. Phones can be collected from the office at 3.30 pm.

Many thanks.

Yours sincerely

My child \_\_\_\_\_ (insert name)

- Will be walking or cycling home from school.
- I will be collecting my child from the Victorian building.
- I would like my child to meet me at the white gate (drop off point) in the car park for me to collect.
