

**Reporting a Governor visit to Kea School: Name** Simone Stevens

**Purpose of visit:** Spring Concert

29 March 2017

**Governor observations and comments:**

**I attended the Spring Concert as a parent and it was a very enjoyable afternoon. The children performed well and were keen to display their musical talent.**

**The year 6 children were particularly impressive with their solo performances and Kea School Choir also gave an excellent performance. It is very clear that a great deal of time and effort has been put into the performance and the children appeared pleased to be able to show what they have achieved.**

I observed that the children seemed:

**Well behaved, enthusiastic and accomplished in their chosen instrument.**
